

NEW Bedford Commons OB-GYN Locations:

As you may know, there was a fire in our Bedford Commons Derry location at the end of August. The building requires some significant renovations so we have found two temporary locations until the building is fully restored:

Bedford Commons – Elliot – located at 4 Elliot Way, Bedford Commons Elliot is located in the Medical Office Building on the Elliot campus. Enter the Elliot campus at the main entrance and continue on Elliot Way to the free parking garage. Access to the Medical Office Building is on Level 2. Bedford Commons Elliot is on the first floor of the building in Suite 101.

Bedford Commons – Cypress – Located off Auburn Street, Bedford Commons Cypress in the 445 Cypress Street building, is the second gray building on the right if you are traveling West on Auburn Street. It is next to Briarwood Family practice and across from Dartmouth Hitchcock ENT. Parking is limited so please arrive 15 minutes prior to your appointment to find parking. There is parking near our main entrance and in the back of the building. Additional parking is available on the side street.

If you are having a difficult time finding our office, please call us at 603-668-8400 for directions. Thank you for your understanding for moving appointments to adjust after the fire. We look forward to seeing you at one of our temporary new locations soon!
